Fundamental Beliefs in Islam

(Belief in the Divine Decree {Taqdeer})

- ***Al-Qadar*** is Allaah's predestination of beings according to His Foreknowledge and as necessitated by His Wisdom.

- **The Belief in Al-Qadar Comprises Four Matters:**

First:

- The Belief that Allaah تعالى knew every thing on the whole and in details which took place in the past and is taking or will take place in the future and forever, whether it is related to His Actions or the actions of His *Ibaad* (creatures)

Second:

- *The Belief that Allaah wrote (everything pertaining to His knowledge) in **Al-louhul Alahafoudh**.[88](#) Regarding these two aspects (knowledge and writing) Allaah تعالى says:*

-

- Know you that Allaah knows all that is in heaven and the earth? Verily , it is (all) in the Book (***Al-luhul Almahafoudh***)! Verily, that is easy for Allaah. (Qura'an 22:70)
- In Saheeh Muslim from the way of Abdullah bin 'Amar bin Al'As رضى الله عنهما , Who said “: Iheard Allaah Messenge saying”:
- ‘Allaah had written the ordained measures (and due proportions) of the creation , fifty-thousand years before the creation of the heavens and the earth”[82](#)
-

Third:

- The belief that all created things do not come to exist except by the Will of Allaah تعالى making no difference whether it pertains to His Action or to that of the created beings. Allaah تعالى spoke about what pertains to His actions:

- Verily, your Rabb creates whatever He wills and choose. (Qura'an 28-68))
- And Allaah does what He Wills. (Qura'an 14:27)
- He it is Who shapes you in the wombs as He pleases. (Qura'an 3:6)
- Pertaining to the action of the created. He Allaah تعالى said:
- Had Allaah willed , He would have given them power over you , and had he had would have fought you. (Qura'an 4:90)
- Had Allaah willed, they would have not done so , So leave them alone with their fabrications (Qura'an 6:137)

Fourth:

- The belief that all beings are created by Allaah including ***Thawaatiha*** (their slaves) , their qualities and their motion. Allaah تعالى said:
- Allaah is the Creator of all things , and He is the ***Wakeel*** (Trustee , Disposer of affairs, Guardian, etc.) over all things. (Qura'an 39:62

- Allaah is the Creator of all things , and He is the **Wakeel** (Trustee , Disposer of affairs, Guardian, etc.) over all things. (Qura'an 39:62)
- And he created everything , and has measured it exactly to its due measurements. (Qura'an 25:2)
- He said about His prophet Ibraaheem that he told his people :
- While Allaah has created and what you make.[83](#)

- The Sects Went Astray Regarding Al-Qadar:-**

- One of them is **Al-Jabriyyah**^[75] who assert that man is compelled to do whatever he does and that he has neither the power nor the will to act.
-

- The other one is ***Al-Qadariyyah***[76]who say that whatever man does it is entirely of his own ability and free will, and that Allaah's ***Mashee'ah*** (will) and ***Qudr'ah***(Ability) has no influence on what man does.
- The response to the first sect (al-jabriyyah) according to al-shara'a and reality:
