Setting a Drawing Sheet

- 
- A close-up photograph of a person's hand, with the index finger pointing towards a technical drawing on a table. The drawing shows various lines and text, including the words 'Input' and 'Output'. The background of the slide is a light blue gradient.
- Ensure instruments and hand are clean
 - Adjust your drawing table
 - Place the drawing sheet on the table
 - Keep sheet close to the top left corner of the board
 - Use your T-square to properly align the sheet
 - Use Adhesive tape to fasten the sheet to the board

Drawing Margins and Title Block

- Draw a rectangular frame
- Space of 10mm(0.5 in.) for each side and 20mm from left side
- Use the left and bottom lines as reference lines
- Title block located at the bottom right corner of the sheet
