

HR & Behavioral Interview – Cyber Security Engineer

Q1. Tell us about yourself.

Answer: I am a security-focused engineer with strong fundamentals in SOC operations, SIEM monitoring, and incident response, aiming to contribute to resilient enterprise security.

Q2. How do you handle pressure in a SOC environment?

Answer: By following standard procedures, prioritizing alerts based on risk, and maintaining clear documentation.

Q3. Describe a difficult incident you handled.

Answer: I analyzed logs, identified root cause, coordinated containment, and documented lessons learned.

Q4. Why should we hire you?

Answer: I combine disciplined fundamentals with hands-on SIEM and firewall knowledge, aligned with enterprise security needs.
