ALLAMA MUHAMMAD IQBAL

ALLAMA MUHAMMAD IQBAL

- Friday, November 9, 1877, Iqbal was born at Sialkot.
- Iqbal got his early education from Mission School and did his F.A. from Murry College, Sialkot and B.A. from Islamia College, Lahore.
- Then he did his M.A. Philosophy from Islamia College, Lahore.
- From 1899 – 1905, Iqbal served as Lecturer (Philosophy) in Oriental College, Lahore.
- In 1905, Iqbal went to Germany, where he did his Ph.D. in Philosophy.

-
- In 1926, Iqbal started his political career when he was elected as member of Punjab Imperial Legislative Council (PILC).
 - Allama Iqbal was also a strong believer of Hindu-Muslim unity but Congress extremism force him to change his attitude.
 - In 1930, Iqbal clearly discussed Two Nation Theory as:
 - Islam: as code of conduct and way of life.
 - Muslims are separate nation.
 - Demand of separate state.

-
- At initial stages Dr Iqbal was a nationalist by ideas and his poetry contained verses like Tarana-i-Hind. His poetry was a critique of the existing societal conditions. Being educated from Europe, he knew all weak aspects of the Western culture. He criticized capitalism, materialism and lack of spiritualism.

Islam: as Code of Conduct and Way of Life

“Islam is not the name of some beliefs and customs but it is a complete code of life. In, Europe, religion is every one’s personal matter which divides the human oneness into two opposite parts i.e. body and soul. In contrast to that in Islam, God, Universe, soul, matter, state and religions are bound to each other or in other words Muslims are one nation”

Muslims are Separate Nation

Allama Iqbal openly negated the concept of one nation and said:

“Nations are based with religion; not with territories. So we are separate nation because we have our own ideology.”

If British Government is interested to resolve Hindu-Muslim conflicts then India should be divided into states.

NWFP, Sindh, Baluchistan, Punjab, Assam and Bengal should be converted into one unit and authority should be given to Indian Muslims.”

Condemnation of Western Democratic Concepts

- Allama Iqbal was strongly against the western concept of Democracy. Despite flourishing all over the world, this system cannot provide solution of the problem of Islamic world. Iqbal was of the view that all social and political problems can be solved with the help of Islamic system. He said, (Western democracy is devoid of depth, it has merely an attractive out look.)

Explanation of Relation of Islam & politics

- Allama Iqbal was in the favour of basic concept that politics is a part of religion (Islam) and Islam provides complete guidance about it,
- *“Islam does not consider matter and soul separate from each other. Allah, Universe and state all are the basic elements of single unit. Man is not so alien that he should leave worldly affairs for the sake of religion.”*

Islam is the way to success

- *“The lesson which I learnt from history is that Islam always helped the Muslims. Even today, Ideology of Islam can save your being from destruction by uniting your divided powers”.*

Concept of Two Nation Theory

Allama Iqbal explaining the two nation theory as:

“Despite living together for 1000 years, Hindus and Muslims have their own individual ideologies so the only solution of political conflict in India is to have a separate independent parliament for each nation.”

Opposition of Nationalism

He described the reason of opposition of nationalism in the words:

“I am opposed to nationalism, not because if it is allowed to develop in India. It is likely to bring less material gain to Muslims. I am opposed to it because I see in it the germs of atheistic materialism which I look upon as the greatest danger to modern humanity”

Foundation of Pakistan

- Allama Iqbal not only put forward the proposal of Pakistan's creation by uniting the Muslim majority provinces of north-western India, he also explicitly pointed out that
- *“To address this session of All India Muslim League you have selected a man who is not despaired of Islam as a living force for freeing the outlook of man from its geographical limitations, who believes that religion is a power of utmost importance in the life of individual as well as states.”*

Separate Existence of Muslims

- The fact is that even the enemies acknowledge that it was Iqbal who made the idea of a distinct Muslim Nationhood crystal clear in the minds of the masses. A bigoted Hindu leader Madan Mohan Malwiya once remarked.

“Before Iqbal, we had not the slightest idea that the Muslims possessed a separate existence in India. We regarded them to be a part of a common nationalism”

-
- According to Allama Iqbal, Islam is a practical way to eliminate the artificial distinctions of race and nation and to transcend beyond the geographical limitations of mankind. He wanted to establish Muslim nationality on ideological lines:
 - Allama Iqbal categorically stated that the Hindus and the Muslims can't live together in one state, and that the Muslims would succeed in making their own separate state sooner or later. He advocated the separate nationhood of Muslims.

Focus on the conditions of the Indian Muslims

- Islam can salvage the Muslims, Islam has always saved Muslim, Islam is a living and dynamic ideology that can meet modern challenges, Islam to help them to overcome their internal Discord and enable them to meet external challenges, Ijtehad and Reinterpretation
- **(Reconstruction of Religious Thought in Islam)**

VISION OF A SEPARATE MUSLIM STATE

- Men like Allama Iqbal are born but in centuries. He was conscious of significance of Islam in lives of the Muslims. His first public appearance was in 1899 at the annual session of Anjuman Himayat-i-Islam in Lahore when he presented the poem, Nala-i-Yatim. At initial stages Dr Iqbal was a nationalist by ideas and his poetry contained verses like Tarana-i- Hind. His poetry was a critique of the existing societal conditions.

Commendation of Idea of Single Nation

“I remained the supporter of this idea but now I am of the view that preservation of separate nationhood is useful for Hindus and Muslims birth. To have the concept of single nation in India is no doubt poetic and beautiful but impractical regarding present circumstances.”

Unity of Muslim

World Allama Iqbal was a great supporter of Muslims Unity. He gave the message to the Nation of unity, equality, fraternity & tolerance. He also declared that there is no any concept of discrimination on the base of colour, cast and creed in Islam.

The message of unity of the Muslim World can be seen in his poetry as.

ایک ہوں ہسلن حرم کی پاسبانی کے لیے
نیل کے ساحل سے لے کے تا بخاک کاشغر

Mr. Jinnah paid him a tribute two days after the Lahore Resolution that:

“If I live to see the idea of a Muslim state being achieved and I were then offered to make a choice between the works of Iqbal and the ruler ship of the Muslim state, I would prefer the former”.
