

Probability and Statistics

MATH-361

Dr. Yasir Ali (yali@ceme.nust.edu.pk)

DBS&H, CEME-NUST

March 1, 2022

Course Learning Outcomes CLOs	Level of Learning
1. Present sample data and extract its important features	C4
2. Understand different discrete and continuous probability distributions	C2
3. Estimate different population parameters on the basis of samples	C3
4. Implement quantity control measures	C3

Text Book:

(a) E. Kreyszing, Advanced Engineering mathematics (9th edition)

Reference Books:

- Probability and Statistics for Engineers and Scientists by Walpole.
- Probability and Statistics by Murray R. Spiegel
