Subject: Offer of Employment at MachaDev Engineering

Dear Huzaifa Shahbaz,

We are pleased to offer you the position of **Trainee R&D** at MachaDev Engineering. Your skills and experience will be an invaluable asset to our team, and we are excited about the prospect of you joining us.

Terms of Employment:

Position: You will be working as a **Trainee R&D** and reporting directly to the HOD R&D.

Work Arrangement:

We would require you to join us at **Air Office, AUBIC**.

Probation Period:

Your initial two months with us will be a probationary period. During this time, your performance and fit with the company will be evaluated.

Salary:

- During your probation period, your salary will be **PKR 40,000 per month**.
- Upon successful completion of your probation, your salary will be adjusted depending on your performance.
- **Performance Evaluation:** Your performance will be regularly reviewed during the probation period. Please note that the company reserves the right to adjust the salary post-probation and during probation based on the evaluation of your performance

Joining Date: 22/09/2025

We believe that providing an optimal work environment is vital to fostering productivity and innovation. To ensure that you have the resources you need to excel in your role, we are pleased to inform you of the additional benefits you will enjoy as a member of the MachaDev team:

- **High-Speed Internet:** We understand the importance of a seamless online experience in today's digital world. You will have access to high-speed internet connectivity, allowing you to work efficiently and communicate effectively with your team and clients.
- **Professional Development:** We encourage continuous learning and growth. You will have opportunities to attend workshops, conferences, and training sessions to enhance your skills and stay updated with industry advancements.

We look forward to welcoming you to the MachaDev Engineering team. If you have any questions or need further information, please do not hesitate to contact us.

Sincerely,

Adeena Anees
